Clear mind

Sobran The Sobras

One would owe to have two consciousnesses one of what hurts us and the another to remember it.

The lacking society the respect to all principle by the fault of scruples.

Four fundamental things needs the human being; Work, be recognised, be rewarded and receive congratulations.

The failure is not more than having aturdida the head of so much try the success.

World of successful ends while we see the one who does the pavada bigger. Afterwards festejamos, sleep and copy a model of unreal life what drives to the loss of values, insecurity and lies. This is the society.

You want essential values. Perfume you.

The dominant generates restlessness

When they do not build skyscraper rascan the balls.

The problem is the youth, if the one of the old.

When a question of honour prevent you advance in the life thinks in the honour of not to have you corrupted.

Have parents to listen is to have in your authorship a success Beatles.

I am good man and consider it like this because I do not look for any woman.

When God wanted to do the beauty did the woman.

To the children does not be necessary to impose them creed.

Anybody wants me but am happy to want them to all.

I expect fellow more than go back soon is that they go back by the a lot that the extrañe.

My intention is not to mount a circus but rather that it do not trap you the tamer.

It is not of my taste the social networks because I have to be the one who am not and expect what do not want to.

The calidez human will not lose is a soft melody of the winds.

If they forgive me my friends remain satisfied more if they forgive me my enemies remain in peace.

Of errors and of tarpaulins.

The art is not a temptation as of here is that they do the cultures; if the culture

does temptations will be the art creating new sub cultures. The other is entertainment.

Anybody says anything if it does not go in you in the head the sequela is yours.

The dilemma of Gandhi on the people that leaves humiliate to feel honoured; it is that there are people that needs negative incentives to destroy the truth.

The bad education is the food of the egocentrism.

Callar In front of the act of a noisy and that assume his own noise.

The dominant can not dominate of aerial form.

It causes pain the one who the greatness does not leave him see to the humble.

The madness that more hurts is to save words hirientes.

The tibieza can be stronger that a big man.

What saves the emotions and maintains a balance is the dulzura.

The one who saves your estomago is not the owner of the same.

Brave person never gives reason to the enemy.

If somebody thinks that is God the only that ask him is that it do all again. Impossible truth.

The people sooner or later whole of everything.

It imagines with a fellow what would do selling what do not have and will be happy.

The stain of the quijote is this place that anybody wants to remember his estadía.

Never names to the one who remembers you and is not present.

It would like me do a big well but is difficult since for others can be a big bad.

I contradict me because they contradict .

There is a big woman for me and are you. No! You do not scare you that it was prank.

It remembers that the sabiduría goes in by the ear is not salient of the mouth.

It likes me a lot play to chaparrón of the chavo parodiarlo with his jokes between friends.

You know that the people walks saying that you and I are crazy Lucas? ....

It is necessary to understand that when we go us doing old more go in in the world of the fantasies.

It is beautiful to dream awake speaking without sense things with somebody known.

While you have all takes the life the most cheerful possible, sometimes the without sense jokingly is healthy.

The New Fight

The new fight

It does not exist thing that do feebler to a man that the do the good.

All coolness does to shiver.

When they abuse I think that they shout it very strong to listen you them they same; it has to to be a disorder of sordera.

The safe people have the privilege of not expecting.

To the that does not offer commands it to him.

We can love to all the mankind but can not do that the other love to the world.

A dangerous lie is a big line in the head.

The accidents are by intuitions between human beings; there is difference between the moments and all that's why it happens everything in difference. The reactions can contain therefore they can avoid the accidents if all use the self-supervision.

The words in front of a woman can more than the own will.

Asevera And will achieve.

Shower in your nape no exaspera never.

The best fellow is the one who does you spaces.

The life measured by the ticket is an error of the human being.

It would like me avenge me by all the bad that did me but happens me when I remember the love that first gave.

You expect me to hurt me as your punishment is to expect.

The one who goes out of the way remains on foot.

I have confidence in the life as I am life.

The worst humiliation is to degrade to the other.

I am attending an enormous problem; the solitude.

Between crazy does not exist madness.

To the that annoying without reason, finishes him the Very sublime pardon is to find the peace in the aggressive.

It does not be necessary to do so much problem as the problems come alone.

No subjects to those who do not want you; avoid them.

After an absurd litigates is virtuoso the one who does the peaces.

To other reasons
