THE TUNE

I have a tune in my head
And it goes like this
I love you, you and you.
What can I say if you ask “Why”?
I’ll check my list of possibilities
Because you are funny
Because you are amazing
Because you are smart
Because you are lovely
Because you are pretty
Because you are talented
Because you are super
Because you are tender
Because you are happy
Because you are smiling
Because you are great

All of the above!
I love you because I LOVE YOU!

PRINCESS NATALIA

Natalia pretty princess with a smile like a treasure, your sweetness fascinates me, your words illuminate my entire intellect. You are immense in a small body, whose words brighten and share happiness with me.

You are tender, beautiful princess, with my burning heart I love you, with my guitar I sing to you, with my open eyes I admire you, with my speech I applaud you; with my hands I bring you a handful of stars, so that you can touch them with your splendid smile and make them shine.

Natalia, my beautiful princess, your steps are like flowers, your hugs are so peaceful, with an acute awareness of freedom is your being; I love you...
