# *LOST WORLDS*

# TETRIS

Left Arrow

I'm heading there.

I try to fit.

I'm filling the queue.

Triple score.

Right Arrow

Now I'm nobody.

No one talks to me.

A huge gap below.

One life is lost.

Up Arrow

No way I'll be

hitting the rocks.

Changing my shape

to fill that new space.

My race has no end.

Limitless until the end.

Always need to change.

I don't want to be a block.

I don't want to be destroyed.

Bringing a new dawn.

High score
